## 2007

### **International Conference & Exhibition On Bioenergy Outlook 2007**

26-27 April 2007, Singapore.

Organised by the Institute of Environmental Science and Engineering, Singapore.

This conference provides a platform for scientists, engineers, policy makers, operators, key actors and industry representative alike to meet up with world's leading bioenergy experts and learn about the latest advances in the field.

### **The 11th Korea-Japan Symposium on Catalysis**

will take place on 21-23 May 2007

at Yonsei University Seoul, Korea.

Correspondence to Prof Yong Gun Shul.

E-mail: [Master@ctcenter.or.kr](mailto:Master@ctcenter.or.kr)

### **The 21st Santa Fe Symposium on Jewelry Manufacturing Technology**

will take place 20-23 May 2007

in Albuquerque, USA.

Details at [www.santafesymposium.org](http://www.santafesymposium.org)

### **The 20th North American Catalysis Society Meeting**

is to be held in Houston, Texas, U.S.A.

on June 17-22, 2007. The meeting will be held at the beautiful Hilton Americas.

Attendees can register online by visiting the Meeting Solutions' 20th NAM site.

[www.nam07.com](http://www.nam07.com)

### **This is the second announcement of the 13th International Symposium on the Relations between Homogeneous and Heterogeneous Catalysis (ISHHC XIII),**

which will be held at the University of California, Berkeley on July 16-20, 2007.

The list of plenary lecturers with their titles is complete at

<http://www.lbl.gov/Conferences/ISHHC/ XIII/>.

There is also information about submission of papers, registration and accommodation in Berkeley. A website for abstract submission will be available by January 15, 2007; early submission is recommended, especially for those who will need a visa in order to attend the conference.

### **Europacat VIII**

The 8th European catalyst conference will take place 26-31 August 2007 in Turku/Abo, Finland.

Abstracts to be submitted by January 2007.

Details: [www.abo.fi/europacat8](http://www.abo.fi/europacat8)

or [www.efcats.org](http://www.efcats.org)

### **PRICM 6 The 6th Pacific Rim International Conference on advanced Materials & Processing**

will take place 6-9 November 2007.

Organised by the Korean Institute of Metals & Materials, the conference will be held on Jeju island. Call for papers and details at: [www.procm-6.org](http://www.procm-6.org)

## 2008

### **International Symposium on Homogeneous**

will be held in Florence (Italy) from 6-11 July 2008.

Symposium website: [www.ishe16.it](http://www.ishe16.it)

### **14th International Congress on Catalysis**

will take place on 13-18 July 2008

at COEX Convention Center Seoul, Korea.

General enquiries Prof JS Lee.

E-mail: [jlee@postech.ac.kr](mailto:jlee@postech.ac.kr)

### **5th International Conference in Environmental Catalysis (5th ICEC)**

will take place 31 August-3 September 2008 at Queen's University, Belfast, N.Ireland.

Details via Prof R Burch
